

DELEGATION FOR  
FRIENDSHIP  
AMONG WOMEN

VISIT TO  
INDIA  
AND SRI LANKA

January 29 - February 22, 1982

## STATEMENT OF PURPOSE

In 1970 a nonprofit corporation, the Delegation for Friendship Among Women, was formed in Minnesota with the express purpose of promoting friendship and understanding among women leaders of the world of comparable interests and backgrounds.

While women's delegations are becoming increasingly popular these last few years, the Delegation for Friendship Among Women has distinguished itself by virtue of its diversity.

First, in the matter of geography — the members represent every region of the United States.

Their interests are equally as broad — while tied together with the common thread of volunteerism and women's rights.

And, finally, they have a proven record since 1969 of adjusting to conditions without creating problems — and in bringing the story of their visits with other women to the attention of the people of their community.

They have no ties with the government, yet receive the courtesy of briefings and assistance from the State Department. They pay their own expenses and are beholden to no group, organization nor government.

They are, in brief, American women interested — first, in their own community and their own country — and second, in the world around them so that they may contribute to peace and friendship throughout the globe.
